

Downtown Athletic Club of Orlando

DACO annually honors the top 10 males and 10 female high school Scholar Athletes in Central Florida at an Awards Banquet each May.

The scholar athletes are nominated by their schools and submit information about their scholastic records and sports participation. All high schools in the six-county Central Florida area are invited to nominate their most outstanding scholar athletes. **Each candidate must be a senior, have at least a 3.0 cumulative non-weighted grade point average and must have lettered in at least two varsity sports during their high school careers.** The top ten male and top ten female scholar athlete finalists are chosen by a committee, and are invited to the annual awards banquet, along with their families and coaches. There, they are individually introduced and are awarded a commemorative plaque. The evening concludes with the announcement of the Male and Female Scholar Athletes of the Year.
